Frequently Asked Questions

How does my camper find lost items?

1. Please mark all belongings with your child's name. This is very important since shirts are identical and individual items are difficult to identify without a label. Lost & Found items are available each day in a bin near the sign in table.

How do I arrange to pick up my camper during the camp day?

1. If you have to pick up your camper during the day, please notify our office in the morning so we can arrange to have your camper ready for you. We cannot release campers without parental permission.

Can my camper bring precious items to camp?

1. Campers should not bring jewelry, cell phones, ipods, head phones, expensive toys, etc. to camp. Camp Gan Israel supplies everything campers will need for each day's activities. See Personal Property Regulations, page 9, for details.

How can I speak with my child's counselor?

1. A call to the camp office will answer most questions. Since counselors are constantly supervising groups and activities, messages will be taken at the camp office. Please leave your name and evening phone number and the counselor will return your call as soon as possible.
2. Counselors will attempt to be available at the end of each camp day to discuss your child's day. Please understand that pickup time is hectic and the supervision and safety of our campers is our first priority. If you have further questions, please call the camp office and leave a message. Staff can be emailed anytime at myjewish-daycamp@gmail.com. Please leave the name of the staff member/bunk in the subject to help us route the email to the correct staff member.
